E PLUS-SERIES

Introducing a VMI full-sized van that brings new meaning to the word "value": the value of ample space, the value of comfort and flexibility, the value of quality, and of course, the value of economy. Presenting the E Plus-Series. It has everything you could want in a full-size van, except of course, the full-size price. Where do you want to go in life? The E Plus-Series can get you there in style.

Imagine plush interior space, a smooth and comfortable ride, and the value of cost effectiveness. When you add it all up you arrive at one solution: The E Plus-Series. With a removable sofa bed, perfectly situated powerful rear cabin heating and air conditioning, reading lamps in four convenient locations and optional stylish low profile doors, the E Plus-Series goes beyond expectations. And you won't be asked to sacrifice security. The E Plus-Series, like the entire line of VMI conversions, meets all applicable FMVSS safety standards. The E Plus-Series; proof that the price of freedom is now within your reach.
